

When it comes to homes, we know everyone has their own preferences and quirks so we've made it even easier for you to let your cleaner know exactly what you're looking for. This checklist is really easy to use:

1. Our timing guide will help give you an idea of how long each room takes. This can vary depending on size of room, furnishings, etc.
2. Prioritise and tick the key things around your home that you'd like for this clean
3. Your cleaner will use this checklist to help give you your personalised clean
